Dear Board Members:

We, the staff of the Board of Elections Office would like to respectfully express our recommendations as it relates to the appointment of the At-Large Member position on the Board of Elections. We humbly recommend that Mr. Cary Bond be reappointed as the At-Large Member.

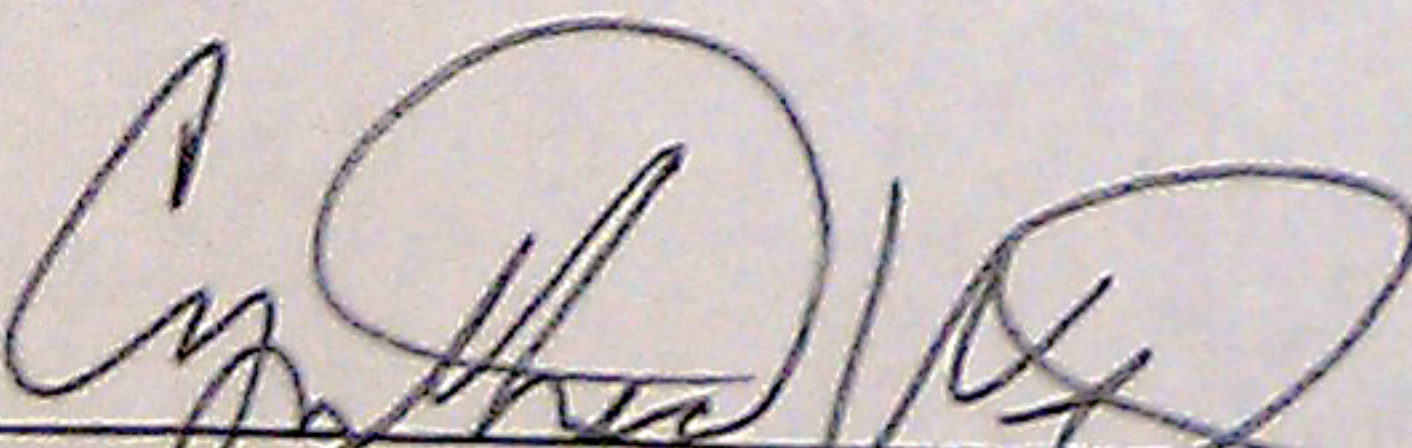

Since joining the Board, Mr. Bond has insured that he understands every aspect of his duties on the Board of Elections. He has proven this by attending various classes taught by the Elections staff. In fact, Mr. Bond is the one who lead the charge in the department obtaining a Document Imaging System, which was critically needed in order to protect our voter files in the event of a disaster. Mr. Bond continuously offers his services and maintains daily contact with staff to ensure all operations are functioning as required. Most importantly, Mr. Bond understands the Elections processes, including its laws and based on his experience in working with the State of Georgia and Legislatures, he is an invaluable asset to our office. Mr. Bond has demonstrated on various occasions that he is not afraid of doing the work that is needed.

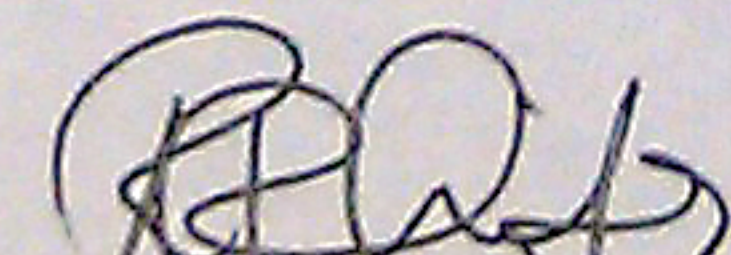

When Mr. Bond walks into the door of the Board of Elections Office his aura is a pleasant one. He is extremely welcoming which says a lot about his personality. He has a saying "If you have a bad day, it is your own fault." His dedication, ability to go beyond his normal duties and his pleasant personality will truly be missed if not selected.

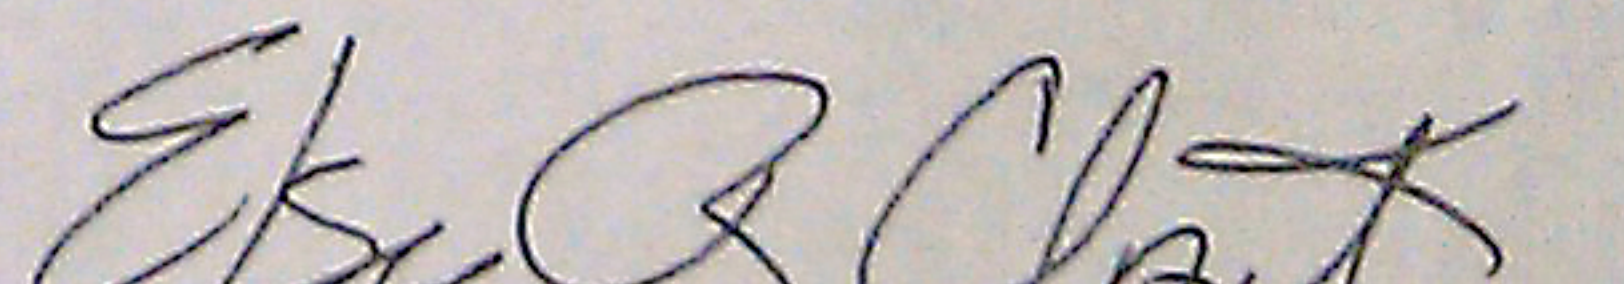

In closing, Mr. Bond has exuberated the true meaning of his civic duties while on the Board and has shown relentless commitment and dedication to Rockdale County as the current Chairman of the Board of Elections. As Chairman, he goes above and beyond the call of duty to serve our county. His pleasant demeanor is another attribute of his outstanding leadership.

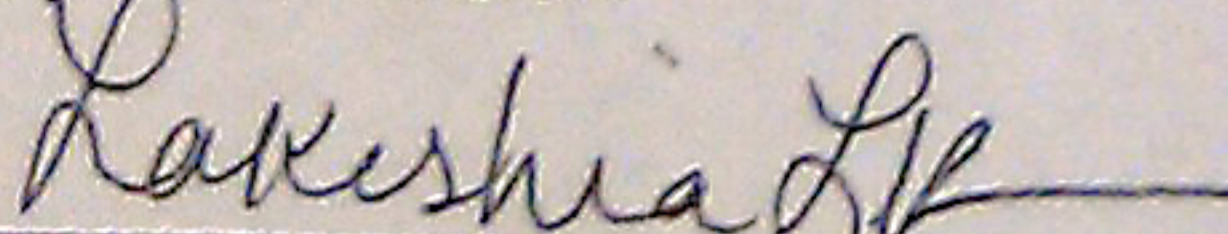

Board Members, thank you in advance for allowing us to express our thoughts and recommendations. We appreciate all you do for the department and citizens/voters of Rockdale County.

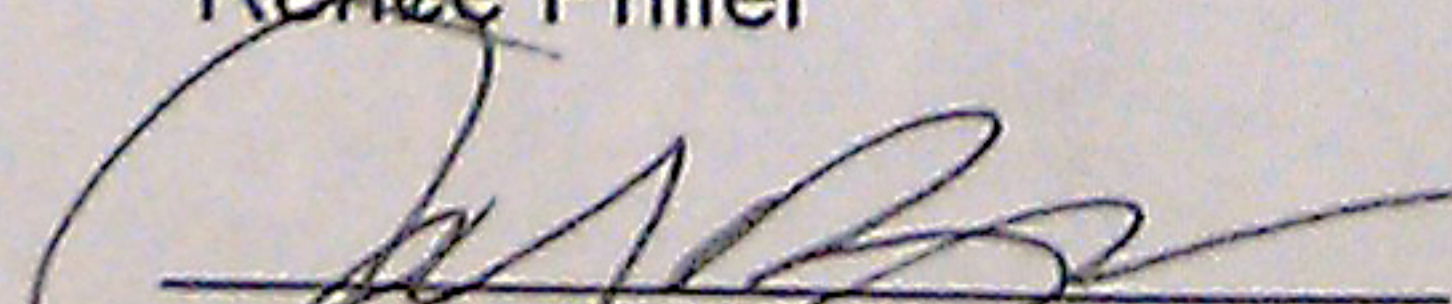

Respectfully Submitted,  
Staff of the Board of Elections Office
