Subject: Resignation

Good Afternoon Gentlemen:

Reflecting on where we stand as the Authority, I feel we are at a good point, to part ways and promote or seek new leadership.

With some of the more complex financial decisions made or soon to be made, it is a good time to "re-tool" the open slots, bringing in fresh ideas to complement Kevin and Lloyd's efforts.

Regarding schedule, I'm away on business during the June and July regular meetings; my effective resignation date ought to be June 5, 2017, unless you see a need for my continued involvement for administrative or legislative reasons.

My experience serving the County has been rewarding; I hope you'll agree we broke some new ground and moved the solid waste program off from the old path. I stand ready to assist if you with questions or assignments if the need arises. Many thanks to the BOC members and SWA members!

Please give me a call if you have any questions.

Sincerely,

Wayne Haynie, P.E.
