

March 2, 2018

We would love to hear fellow Eastside High School students share their ideas and opinions on why being a part of this movement is important to them. If you would like to share your thoughts, and would like to be recognized by the @EastsideWalkout account, tweet your stance and incorporate the use of the hashtag #WhyEHSWalkout! Some other hashtags you may want to consider using include #MSD (Marjory Stoneman Douglas High School), #MSDStrong, #NationalSchoolWalkout, #ENOUGH, #NeverAgain, #StudentsStandUp, and #EHSWalkout. We cannot wait to hear why you want to be a part of the change!

Additionally, we would like to invite students, friends, families, and members of the community to join us on Sunday, March 11th, 2018 at 3 PM at Legion Field (the field behind the Covington YMCA) to create posters and signs for our protest on the 14th. We ask that you bring poster board, markers, paint, and other supplies you feel would be useful when creating the boards. On the boards, we can put things such as hashtags, reasons for protesting, and peaceful quotes. As long as the signs are appropriate (no foul language or disrespectful sayings) and respectful, anything is okay to put!

We sincerely hope that you choose to be a part of this movement on March 14th, 2018, express your ideas on twitter (and other forms of social media) with the hashtag #WhyEHSWalkout, and join us on March 11th, 2018 to create posters and signs. If you have any questions, suggestions, comments, or concerns regarding any of these upcoming events, do not hesitate to direct message the @EastsideWalkout account. We are here for support towards the movement, but also for our fellow students and community members. It is time for a change, and through the support and activism you put forward, a change will happen!

With love, peace, and happiness,
The Eastside High School Walkout Team
